

JANUARY 15TH DINNER MEETING

DelDOT Initiatives & Project Outlook for 2026

Guest Speaker,
Mark Luszcz,
DelDOT Chief
Engineer

Mark Luszcz was appointed DelDOT's Chief Engineer in Feb

2025. He is responsible for delivering DelDOT's annual capital program of nearly \$600M and leading DelDOT's Division of Transportation Solutions, including over 450 staff members. He has over 30 years' experience in transportation engineering and has strived to implement innovative projects and forward-thinking policies to improve the safety, operations, and efficiency of the transportation system through out his career. Mark has a Bachelor's and Master's Degree in Civil Engineering from the University of Delaware. He currently and previously served on several committees of AASHTO, chairing the Joint Technical Committee on Roadway Lighting. He has held leadership positions for the National Committee on Uniform Traffic Control Devices, the Institute of Transportation Engineers, and is a Past President of ASHE First State. Outside of work, Mark has coached his three sons and their teams in soccer and baseball, has served as Board Member for Canal Little League, and is a youth baseball umpire. Mark, his wife Heather, and their three sons reside in Glasgow, Delaware.
